Make sure you have Windows Mobile Device Center 6.1 or later(Links at bottom of PDF)

Now that you have all the files you need.

********* MAKE SURE Ceaser is Closed on your Handheld/TotalStation.*********

Plug in your handheld to your computer and make sure it has established a connection(you can verify this by checking if your devices shows up under My Computer)

Before Connecting	After connecting	
 Computer WIN764 (C:) WIN732 (D:) Local Disk (E:) J Digity (F:) Jesse (\\WINSERV-PC) (Z: 	▲ I Computer ▷ MIN764 (C:) ▷ WIN732 (D:) ▷ Local Disk (E:) ▷ J Digity (F:) ▷ P Sesse (\\WINSERV-PC) (Z: ▷ W Edwin's PDA	

Double click on the Installer and complete any actions required on your Computer, while also observing for any messages that might appear on your Unit. (eg. "Would you Like to Install Ceaser?", Click Yes)

To Open Ceaser :

Click on the Ceaser Icon from your Start Menu or Home Page of your device,

Alternatively Start > Programs > CEASER

To License your unit:

Once Ceaser has been installed, open the program and "Click" the *Continue* Button. From the main menu in the program, select *About* and then *Reg*.

Send your Hardware ID to info@ceaser.co.za, along with which licenses you would like to purchase.

Example:

"To Ceaser

Please Register my GetacPS236 S/N GTC42061 with the Hardware ID number 7C56-C969-B171 for Total Station and GPS activations.

Thanks

John Hopkins"

A license file will then be sent to you. Eg. "7C56C969B171.Lic"

Once you have received your file, copy it to your device under the **"My Documents"** folder.

From the Main menu of Ceaser Click < About > and then < Reg >

Click <*Load>* and then click on your license file.
